

Lisa Guerrero Golf Classic

Welcome Friends of the Salvation Army to our 2010 Lisa Guerrero Golf Classic.

As the world is aware, 2009 was an economical nightmare. To our Free Medical/Dental Clinic, that meant the number of patients increased two-fold.

The mission of the Oxnard/Pt. Hueneme Salvation Army Free Medical/Dental Clinic is to serve those individuals who are uninsured, underinsured or who simply have fallen through the cracks of our health care system. Our clients, in the past, have been mainly the poor and homeless, and migrant worker families. We are seeing a change of climate in our clients with the addition of individuals who previously had middle income positions, but have lost their jobs and thus, have lost their insurance.

In 2009, we treated over 3,800 patients, providing them with care of such diseases as diabetes, hypertension, elevated cholesterol and obesity. Our clients also participated in a health education program which gave them the opportunity to learn about their disease, healthy eating habits and home care. Our dental clinic saw approximately 650 patients in 2009, a 56% increase over 2008, providing them with free general basic dental care.

We are proud of the services that are provided to individuals of our County, however all this requires your support to sustain the clinics, and help us realize our dream of a stand-alone clinic that would provide further services to our community.

Please join us in making the Lisa Guerrero Golf Classic, 2010, the most rewarding, for the less fortunate, of Ventura County.

Regards,

CHERIE

THE SALVATION ARMY IN OUR COMMUNITY

Our Medical Clinic opened in the mid 80's to provide preventative care, disease management and treatment for illness for those who are unable to access healthcare due to lack of funds, education, insurance, and awareness. The clinic also benefits the community by relieving crowded conditions in our local emergency rooms. Our holistic approach teaches patients how to become active participants in their own health care while helping to integrate them back into the mainstream.

We added a free Dental clinic in 1999 to provide screening, hygiene and treatment. This licensed facility is the only resource available to the uninsured in our community. In the near future, our goal is to reach out to children and their families through the local education system.

The generous support of the sponsors and donors of The Lisa Guerrero Lisa Guerrero Golf Classic will enable The Salvation Army to continue to sustain and expand our free clinic.
